Keeping families close®

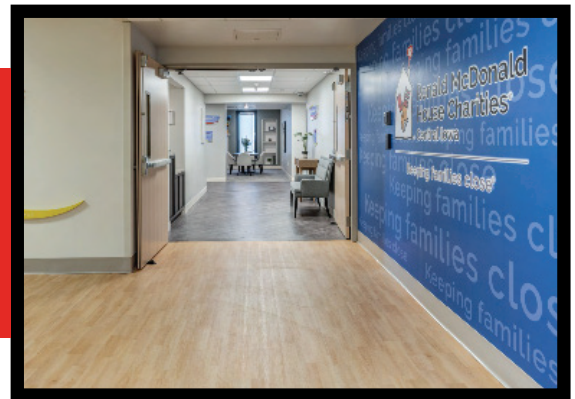

Ronald McDonald House Charities of Central Iowa Impact

Ronald McDonald House has been “Keeping Families Close” for over 40 years. Ronald McDonald House Charities of Central Iowa enhances the healthcare experience for families through comfort, care, and supportive services. Each year hundreds of families are served through our programs.

Ronald McDonald House at Blank Children's Hospital gives families a welcoming place to stay nearby so they can focus on caring for their children.

Ronald McDonald House inside MercyOne Children's Hospital provides families with a place to stay right inside the Hospital. They can focus on caring for their children without ever leaving the hospital.

Ronald McDonald House meal provider program helps keep families nourished and healthy for their children. A dinner is provided each night at both Houses. This relieves costs for families and eliminates worrying where their next meal will come from.

We rely on the generosity of our donors for 90% of our annual revenue. Donors are welcome to contribute to the program of their choice or apply their gift to the area most in need.
