# Ronald McDonald House Charities® of Central Iowa

Ronald McDonald House Charities of Central Iowa has been “Keeping Families Close” for over 40 years. We enhance the healthcare experience for families through comfort, care, and supportive services. Each year, hundreds of families are served through our programs.

Ronald McDonald House near Blank Children’s Hospital gives families a welcoming place to stay nearby so they can focus on caring for their critically ill or injured children.

Ronald McDonald House inside MercyOne Children’s Hospital provides families a place to stay right inside the hospital. They can focus on caring for their children without ever leaving the hospital.

Ronald McDonald House meal program helps keep families nourished and healthy for their children. RMH provides a meal every night. This relieves costs for families and eliminates worrying about where their next meal will come from.

We rely on the generosity of our donors for 90% of our yearly revenue. Donors are welcome to contribute to the program of their choice or apply their gift to the area most in need.
